TO WHOM IT MAY CONCERN

I am very pleased to be asked to write a reference letter on behalf of Jevgenij Ivanov. He has been employed various projects at Keywords Studios as a Russian Language Quality Assurance Tester since July, 2013. During his time with us, he always carried out his tasks in a professional and timely manner, showing a keen interest in the quality of his language. He adapts well to new challenges, new procedures, and the constantly changing requirements while delivering outstanding results. He was ready to go the extra mile when required.

Jevgenij successfully tested several important video game titles for some of our major clients. I found him to be consistently dependable, tackling all assignments with dedication and in good humor, as it reflects the fact that he has consistently been a valued member of his teams.

I am happy to recommend Jevgenij to any employer or educational institution. He is a team player and would be a great asset to any group. If you would like to discuss this further, please feel free to contact me by email: alex.karpouski@gmail.com

Yours Faithfully,
Alex Karpouski
